Legal -- 19 findings

litigation **ELEVATED RISK** severity: 64

Financial Notes · Para 0 · Sentence 197

The plaintiffs in these actions frequently seek broad injunctive relief and substantial damages.

Regardless of the merit of particular claims, defending against litigation or responding to government investigations can be expensive, time-consuming and disruptive to the Company's operations.

In recognition of these considerations, the Company may enter into agreements or other arrangements to settle litigation and resolve such challenges.

product liability **ELEVATED RISK** severity: 61

Financial Notes · Para 0 · Sentence 209

The Company is subject to complex and changing laws and regulations worldwide, which exposes the Company to potential liabilities, increased costs and other adverse effects on the Company's business.

The Company's global operations are subject to complex and changing laws and regulations worldwide on subjects including antitrust; privacy, data security and data localization; online safety; age verification; consumer protection; advertising, sales, billing and e-commerce; financial services and technology; product liability; intellectual property ownership and infringement; digital platforms; machine learning and artificial intelligence; internet, telecommunications and mobile communications;

Compliance with these laws and regulations is onerous and expensive.

litigation **ELEVATED RISK** severity: 58

Financial Notes · Para 0 · Sentence 198

Regardless of the merit of particular claims, defending against litigation or responding to government investigations can be expensive, time-consuming and disruptive to the Company's operations.

In recognition of these considerations, the Company may enter into agreements or other arrangements to settle litigation and resolve such challenges.

However, such agreements may not always be available on acceptable terms, and litigation may still arise.

legal proceedings **ELEVATED RISK** severity: 56

Financial Notes · Para 0 · Sentence 188

Legal and Regulatory Compliance Risks The Company s business, results of operations and financial condition could be adversely impacted by unfavorable results of legal proceedings or government invest

The Company is subject to various claims, legal proceedings and government investigations that have arisen in the ordinary course of business and have not yet been fully resolved, and new matters may arise in the future.

In addition, the Company enters into agreements that include indemnification provisions that can subject the Company to costs and damages in the event of a claim against an indemnified third party.

litigation **ELEVATED RISK** severity: 55

MD&A · Para 0 · Sentence 12

Exhibit and Financial Statement Schedules 54 Item 16.

Form 10-K Summary 57 This Annual Report on Form 10-K (Form 10-K) contains forward-looking statements, within the meaning of the Private Securities Litigation Reform Act of 1995, that involve risks and uncertainties.

Many of the forward-looking statements are located in Part I, Item 1 of this Form 10-K under the heading Business and Part II, Item 7 of this Form 10-K under the heading Management s Discussion and

litigation **ELEVATED RISK** severity: 55

Financial Notes · Para 0 · Sentence 173

These attacks target the confidentiality, integrity or availability of confidential information and may disrupt normal business operations.

Attacks can impair the Company s ability to attract and retain customers for its products and services, affect its stock price, damage commercial relationships, and expose the Company to litigation or government investigations, potentially resulting in penalties, fines or judgments.

Globally, attacks are expected to continue accelerating in both frequency and sophistication with increasing use by actors of tools and techniques that are designed to circumvent controls, avoid detec

litigation **ELEVATED RISK** severity: 55

Financial Notes · Para 0 · Sentence 202

Additionally, such agreements may require the Company to change its business practices and limit the Company s ability to offer certain products and services.

| 2025 Form 10-K | 12 The outcome of litigation or government investigations is inherently uncertain.

If one or more legal matters were resolved against the Company or an indemnified third party in a reporting period for amounts above management s expectations, the Company s results of operations, fin

court order **ELEVATED RISK** severity: 54

Financial Notes · Para 0 · Sentence 228

For example, in the U.S., the Company has implemented changes to how developers communicate with consumers within apps on the U.S.

storefront of the iOS and iPadOS App Store regarding alternative purchasing mechanisms and is currently subject to a court order preventing it from imposing any commission or fee on certain purchases that consumers make.

Globally, several jurisdictions have adopted, or may in the future adopt, competition-related laws and regulations imposing wide-ranging obligations on technology companies and significant limitations

Regulatory -- 24 findings

regulatory approval **HIGH RISK** severity: 79

Financial Notes · Para 0 · Sentence 184

Such endeavors may involve significant risks and uncertainties, including distraction of management from current operations, greater-than-expected liabilities and expenses, economic, political, legal

Some transactions, including investments and acquisitions, are exposed to additional risks, including failing to obtain required regulatory approvals on a timely basis or at all, a counterparty's failure to perform or deliver as anticipated, or the imposition of onerous conditions that could delay or prevent the Company from completing a transaction or otherwise limit the Company's ability to fully realize the anticipated benefits of a transaction.

New business strategies and ventures are inherently risky and may not be successful.

tariff **ELEVATED RISK** severity: 66

Risk Factors · Para 0 · Sentence 136

The ultimate impact remains uncertain and will depend on several factors, including whether additional or incremental U.S.

Tariffs or other measures are announced or imposed, to what extent other countries implement tariffs or other retaliatory measures in response, and the overall magnitude and duration of these measures.

If disputes and conflicts further escalate, actions by governments in response could be significantly more severe and restrictive.

tariff **ELEVATED RISK** severity: 66

MD&A · Para 0 · Sentence 153

The ultimate impact remains uncertain and will depend on several factors, including whether additional or incremental U.S.

Tariffs or other measures are announced or imposed, to what extent other countries implement tariffs or other retaliatory measures in response, and the overall magnitude and duration of these measures.

If disputes and conflicts further escalate, actions by governments in response could be significantly more severe and restrictive.

tariff **ELEVATED RISK** severity: 66

Financial Notes · Para 0 · Sentence 34

The ultimate impact remains uncertain and will depend on several factors, including whether additional or incremental U.S.

Tariffs or other measures are announced or imposed, to what extent other countries implement tariffs or other retaliatory measures in response, and the overall magnitude and duration of these measures.

If disputes and conflicts further escalate, actions by governments in response could be significantly more severe and restrictive.

tariff **ELEVATED RISK** severity: 63

Risk Factors · Para 0 · Sentence 119
A significant majority of the Company s manufacturing is performed in whole or in part by outsourcing partners located primarily in China mainland, India, Japan, South Korea, Taiwan and Vietnam, in ad
Restrictions on international trade, such as tariffs and other controls on imports or exports of goods, technology or data, can materially adversely affect the Company s business and supply chain.
The impact can be particularly significant if these restrictive measures apply to countries and regions where the Company derives a significant portion of its revenues and/or has significant supply ch
tariff ELEVATED RISK severity: 63
Risk Factors · Para 0 · Sentence 132
Various modifications to the U.S.
Tariffs have been announced and further changes could be made in the future, which may include additional sector-based tariffs or other measures.
For example, the U.S.
tariff ELEVATED RISK severity: 63
